

## SEARCHING AND BROWSING FOR BIBLE PASSAGES IN THE ATLA RELIGION DATABASE

Here are two ways to lookup a Bible passage in the Atla database.

1. Use the SR (scripture reference) field code (uppercase) and the following format.

SR "John 3"

SR "Corinthians, 1st 10"

2. Alternatively, go to the Advanced Search screen and select "Atla Scripture Search" in the lower **left** column. The middle column will display the Atla Scripture Search form. Provide a name for book of the bible (John in the image) and press enter. A list of books will appear with John at the beginning of the list. If you wish, select a chapter (and verse if you wish). In the lower **right**, click "Add to search" to insert the search statement into the searchbox. SR "John 3:16" is the example in the top middle of the screen. On the right, click "search" to search. For more detail, see:

The screenshot displays the 'Atla Religion Database with AtlaSerials PLUS' search interface. On the left is a sidebar with 'My dashboard' and 'Research tools'. The 'Research tools' section includes 'New search', 'Help', 'Publications authority', 'Subjects authority' (highlighted), and 'Atla Scripture Search' (highlighted). The main search area is titled 'Searching: Atla Religion Database with AtlaSerials PLUS' and has a 'Basic search' link. It features a search box with 'SR "John 3:16"' and a dropdown menu set to 'All fields'. Below this are two rows of search criteria, each with an 'AND' dropdown and an empty search box. To the right of these rows are 'Add row' and 'Delete row' buttons, a 'Clear all' button, and a blue 'Search' button. Below the search criteria is a tabbed interface with 'Filters', 'Search options', 'Publications', and 'Subjects' (selected). The 'Subjects' tab shows a dropdown menu set to 'Atla Scripture Search' and a search box containing 'john'. Below the search box is a 'Join terms using:' dropdown set to 'OR' and an 'Add to search' button. At the bottom, under the heading 'Term', there is a list of suggestions: 'John' and 'Acts', each with a checkbox and a plus icon.
